

HOLIDAY POINSETTIA PLANTS

Provided by Thies Farms and Greenhouses

White: bright white bracts w/ medium green leaves

Red: holiday-red bracts w/ dark green leaves

Combination: holiday-red poinsettia centered in a white mum

4-inch pot: This pot contains a pixie plant with four blooms that offers an excellent holiday accent.

6-inch pot: Each pot is a pinched single-stem plant that is 14 inches high and 12 inches wide with 5+ blooms.

8-inch pot: Two inches in pot size make a big difference in presentation! These pots contain three plants that offer 12 blooms. They are 18 inches high and 20 inches wide.

10-inch combination pot: A deep-red single poinsettia is surrounded by a dazzling white mum. It is 18 inches high and 18 inches wide.

Distinctively different, this succulent

Christmas cactus is in a 4" pot and is a beautiful addition to your poinsettia order.

*All poinsettias include gold foil pot covers.

*Disclaimer: All measurements include the pot and plant. These are approximate sizes and numbers of bracts. Plants will vary slightly due to the poinsettia variety and natural growing conditions.

DEDE'S CHOCOLATE COVERED ALMONDS

These roasted whole almonds are dipped in the finest milk chocolate and are a St. Louis tradition. The crispiness of DeDe's almonds combined with the silkiness of smooth milk chocolate are the answer to every chocolate lover's dream. This 10"x5" box contains one whole pound of chocolate! Almonds are kosher and gluten free!

Plants and DeDe's Almonds will be available for pick-up at Churchill on **Friday, November 30 from 3:00 to 5:00 pm** and **Saturday, December 1 from 10:00 a.m. to 12:00 p.m.**

Please return order form and payment to the Development Office by **Thursday, October 25.**

Make checks payable to **Churchill Center & School.**

*Please note: for **plant** orders of **\$400 or more**, Thies will provide free delivery to one location on the date of your choice **before December 14.**

Please visit <http://parents.churchillstl.org/> to print more copies of this form.
